Party at Bloomington.

A very pretty reception was given by
the daughters of Mr. and Mrs. A. E.
Stevenson last evening in honor of Miss
Follette Oglesby. About fifty of the
young society people of the city were
present and the event was a charming
one. The residence was decorated on
the outside with Chinese lanterns and
the interior was aglow with light and
beauty. The Misses Stevenson assisted
by their parents, were most hospitable
hostesses and did everything possible
to add to the pleasure of the guests. A
fifteen number programme was danced
and the hours sped swiftly by to the
fascinating waltz. Among those present
from about sides from Miss Oglesby,
were Mr. and Mrs. O. A. Ewing and son,
Thorn, of Deatur; Miss Hilda Per-
son, of Boston, and Mr. Fred Merritt,
of Springfield.

The Farmer City Fair.

The annual fair at Farmer City will be
held this year on August 30 and 31 and
September 1 and 2. Extensive prepara-
tions are already being made. The fair
will be old settlers' day as usual, and all
persons over 70 years of age will be ad-
mitted free during the entire fair. The
association offers \$3,000 in speed premi-
ums and \$100 for herd premiums. The
fair association is in first-class shape,
having the grounds well improved and a
good balance in the treasury, and in its
position where it can offer good premi-
ums and pay them.

A Broken Arm.

Annie Dillehot, the 12-year-old daughter
of Mr. and Mrs. Samuel Dillehot, met
with a serious accident at the home
farm in Blue Mount township, when
Monday afternoon. Annie and her
brother were playing at the barn,
when a big double door at the sled got
out of place and fell over on her, break-
ing both bones of the left forearm. Drs.
Porter and Foster, of Blue Mount, re-
duced the fracture, and now Annie has
her arm in a sling. She will recover the
use of the arm in a few weeks.

The Eldo Market.

Merchants in hides report the market
especially slow at this season of the year.
Those in this city generally sell directly
to the tanneries and on account of the
hard light the head men are making the
prices very low. Farmers are very
easy at present, and consequently the
butchers from surrounding towns are not
selling in many hides. The market is,
of course, very heavy in the winter.

A Card.

To those people who are still under the
impression that we are not yet ready to
do the laundry work, I wish to say we
can handle all the work left in our care.
It is generally understood that we do
the finest laundering in Central Illinois.
I have also the very best baths in the
city. Hot and cold baths 10 cents.

Desertion and Adultery.
Sarah M. Peck has filed a bill with the
circuit clerk asking a divorce from her
husband, George Peck, whom she married
in Cerrito Gordo, Ill., January 16,
1892. She charges that George deserted
her and that he has committed adultery
with divers women, naming Alice Shill
as one of the parties. The attorney for
the complainant is B. L. Sterrett.

Wearly Pilgrims Will Return.

The first of the Deatur Knights' Temple turned their faces outward from
Denver to-day. During the first of the
week the pilgrims will come straggling in
on almost every train. Wearly and foot-
sore, yet bearing a certain exhilaration
drawn from the mountain air, they will
come back again and never cease to dwell
upon the delights of Denver.

Sermon to Children.

Rev. W. B. Penabazagon will preach
another of his "Picture Sermons" to
children and young people to-morrow
evening at 7 o'clock. The children are
cordially invited to the service. The
centre pews on the main floor of the
church will be reserved for the children.

Club Meeting.

All members of the Young Men's Re-
publican club are requested to attend a
called meeting to be held in the circuit
court room at the court house, Wednes-
day evening, August 17th. Business of
importance. HARRY K. MIDDLETON, Pres't.

Wednesday evening, August 17, the
night before the journey to Springfield.
The Executive Drum Corps members were
out last night for the first practice meet-
ing on East Main street with Emil Be-
hnsen, regular army drummer, as in-
structor. There were 19 young men in
the party. They will be in good practice
for the 18th.

At the Abraham Lincoln Republican
Club meeting last night it was voted to

and to wear the white robe and blue
bata. The club was elected officers as fol-
lows: Captain, Wilson Woodford; first
lieutenant, John Lettitt; second lieuten-
ant, Baker Nicksen; sergeant, George
Woodford. The club has a membership
of over 100. They will be headed in the
parade by the Monitor Band. The club
is organized for the campaign and will
make a good showing as a separate
organization on every public occasion.

A. H. Mills and W. F. Culbom, who
are to be the speakers at the Republican
club organization meeting to-night, at
Mt. Zion, left this evening in a vehicle,
accompanied by a number of Republi-
cans.

Chairman Allen, of the transportation
committee on the trip to Springfield,
completes arrangements to stop the
excursion train on the evening of the 18th,
and going and returning at Harrodsburg
and Nantico, and those in the western part
of the county who want to go with the
crowd can do so.

The Democrats of Deatur township
will meet at the court house next Tues-
day night to organize a campaign club.
The Republican club coats are now on
sale at the Bates clothing store, at a
dollar each. (Get your coat.)

THE PROGRAM.

Referring to the Republican meeting
to be held in Springfield on Aug. 18, the
Journal of to-day says:

The league convention will meet in the
house of representatives at 10 o'clock
Thursday morning. The principal busi-
ness will be elect officers, members of the
executive committee of one from each
county in the territory, and in the nation.
It is expected that this business will
be completed during the forenoon.

EXCURSION TO DECATUR.

Large Crowd from St. Louis to
Visit the City on Sunday.

A grand excursion will be given to-
morrow, Sunday, August 14th, to Deatur,
under the auspices of the Riverside
Fishing Club of St. Louis. The visitors
will arrive in the city at 12 o'clock, and
returning leave Deatur at 6:15 o'clock.
Goodman's Band of 25 pieces has been
engaged to furnish concert music at
Riverside Park. A grand time is antici-
pated by the excursionists.

J. R. Mills' Announcement.

The announcement of J. R. Mills as a
candidate for State Attorney for this
county appears elsewhere in this paper.
Mr. Mills is a Republican in whom there
is no guile and his candor is in subject
to the decision of the Republican County
Convention. It is unnecessary to enu-
merate on Mr. Mills' qualifications for the
office he seeks. He has served the peo-
ple in that capacity for the past four
years, and it will be conceded by all fair-
minded men that he has filled the posi-
tion with distinction, firmness and suc-
cess. Mr. Mills is a gentleman in every
sense, deals pleasantly with, and has a
good word for all with whom he comes
in contact. As a lawyer he stands abreast
with the best in that profession, and as
a public speaker or an advocate before a
court or jury has few equals. As a can-
didate, when he ran before, he showed
great strength with the people, and the
success of a faithful period in office will
make him invincible before the people
for reelection should the party see fit to
give him the nomination.

In Camp at Oakland Park.

The Holiness people of Deatur and
vicinity will begin a camp-meeting at
Oakland Park on August 19th, con-
tinuing until the 28th. The tents will
be in place next week.

There has been some question as to
whether Dr. Carradine and Mrs. Amanda
Smith would be able to be at the camp-
meeting on account of sickness and for
other reasons, but word has been re-
ceived from each assuring the manage-
ment of their intention to be present.
Those who fail to see and hear Mrs.
Amanda Smith, perhaps the most won-
derful lady evangelist of the age, will
miss an exceedingly rare treat. She will
be in attendance Sunday, August 21, and
perhaps longer.

Additional workers expected are Rev.
U. Warrington, Miss Lily Sovereigns
of New Albany, Ind., and Miss Abbie
Kort of Jacksonville, Ill. No gate fee.
The indications are good for a grand
meeting.

Stage People.

Mr. and Mrs. Stuart Robson's only son
and heir has been christened David
Thornton Robson.

Laura Biggar has been engaged by
Manager David Henderson to play the
title role in "Ali Baba" at the Chicago
Opera House.

Henry Norman, who made the "Bogie
Man" song famous in "Subbed" last year,
has another hit in his new song in "Ali
Baba," "Voices of the Night."

The contract which Matt. Patti has
made with Mr. Meyer is for forty con-
certs in the United States and Canada,
for which she is to receive \$200,000.

Give It Up.

This in the fall season, and not a few
citizens have taken occasion to marvel
and complain at the remarkably large
crop of the weeds which have erupted on
the town. Don't kick any more. It's
no use. Give it up. It is figured out
that the product of one acre pair of shoes
for one season is 2,000,000. It is stated
by the Philadelphia Press that if each
fly latched should live to be 4 years of
age, at the end of that time they would
form a solid mass around the earth, ex-
tending to a height of fifty miles, or
about the estimated thickness of our
atmosphere.

The World's Fair buildings will be
dedicated on the 21st of October, instead
of the 12th, Congress having passed a
bill to that effect. October 21 is the ex-
act anniversary of Columbus' landing,
allowance being made for the correction
in the calendar made by Pope Gregory.

The change of date of dedication was
made in the interest of chronology,
accuracy, and also to oblige New York
City, which will have a Columbian cele-
bration on October 12.
